

Industry visit organized by Institution's Innovation Council

Seventeen students of B. P. Poddar Institute of Management and Technology visited Indus Net Technologies, Kolkata on 21.11.2019. Mr. Arijit Das, HR Executive and Mr. Mainak Biswas addressed the students with a presentation on organizational profile and the application products they develop for insurance, medical and e government domains. They also gave brief ideas on digital marketing and cloud computing. The discussion might help students select the right path to become entrepreneurs in future.
