Report on One-day Workshop on Awareness of Electrical and Fire Safety

A one-day workshop on Awareness of Electrical and Fire Safety has been organized by the department of Electrical Engineering and IIPC in collaboration with Institute Innovation Council (IIC) at the main campus of B. P. Poddar Institute of Engineering and Technology on 11th March 2023. The program was inaugurated by Principal, Prof. (Dr.) Sutapa Mukherjee. This Outreach Workshop was organized in association with Baguiati Police Station under Bidhannagar Commissionerate to spread the awareness on safety among local school students. Students and teachers from different schools, along with faculty members, staff and students of BPPIMT, have participated in this hands-on training program. The trainers from Bureau Veritas India Pvt. Limited conducted a lecture session on basics of Electrical and fire safety followed with different drills, including the rescue process under emergencies, water pump operation, demonstration of using CO₂ and ABC type fire extinguishers, etc.

Coordinators Ms. Madhumita Kundu Mondal and Dr. Argha Kamal Pal along with all faculty members and technical staff of the Department of Electrical Engineering, undertook an enormous effort to organize and conduct such a program successfully. The event was ended with the vote of thanks given by Dr. Nandita Sanyal, Head, Dept. of EE, BPPIMT. Feedback from the participants was taken through the valedictory session.

Some of the photographs of this event are given herewith.
