

B. P. Poddar Institute of Management & Technology

Department of Electrical Engineering

Report on Gap Address Sessions **Academic Year: 2021-2022**

A Gap Address Sessions has been organized by the Department of Electrical Engineering, B. P. Poddar Institute of Management and Technology, Kolkata on “EHV transmission- Brief description of the system with working & constructional details” under our curriculum course Power System I (PC EE-502) on 16.02.2022 respectively through Google Meet platform.

In this session our distinguished speaker was Dr. Arindam Sil, Associate Professor, Electrical Engineering Department, Jadavpur University. The key aspects of the working and various advantages of EHV transmission system were well explained by Dr. Sil during the session. Students from 2nd and 3rd year of Department of Electrical Engineering attended the program. The session was very much interactive and informative session.

The program was inaugurated by Dr. Nandita Sanyal, HoD, EE. Ankur Bhowmick, student of 3rd year anchored the entire sessions wonderfully.

Coordinators Ms. Madhumita Kundu Mondal and Ms. Susmita Dey took the responsibility to organize the events smoothly. Sessions were ended with the vote of thanks given by Dr. Nandita Sanyal and feedback shared by students participants.
