

We are deeply saddened and shocked by the sudden and untimely demise of our student, Manohar Jha, 1st year, Computer Science and Engineering Department, Section-A.

He has always been a very soft spoken and a sincere student.

The memories he created will forever be fondly remembered by his friends and the family he made here.

Words do not suffice the unimaginable sorrow and immense pain we feel and our heart goes out to his near and dear ones and his family.

The void he has created can only be filled by the immeasurable love he has left behind.

We pray that may God give all of us the strength to bear such a huge loss.

Manohar, you will be terribly missed.
