NOTICE

Department of Electrical Engineering B. P. Poddar Institute of Management and Technology is going to organize a National Conference CSPES 2018 (Conference on Control, Signal processing and Energy systems) on 16th-18th November 2018. CSPES 2018 will reflect state of the art in Control, Signal processing and Power and Energy Engineering domain and will serve as a forum, where researchers, academicians, industry personnel, and scientists can present their original research, exchange ideas and promote networking for scientific and industrial collaborations. The emphasis will be on peer reviewed papers with high technical quality. Call for paper can be obtained in the website www.cspes2018.org.
