

Spoken Tutorial project is the initiative of the National Mission on Education through Information and Communication technology (ICT) and promoted by MHRD. Spoken Tutorials are an educational initiative of IIT Bombay and adopted by MAKAUT for all its affiliated colleges in West Bengal as per the notification given on their website link - [http://spoken-tutorial.org/media/news/1047/1047\\_NBLT7Dr.pdf](http://spoken-tutorial.org/media/news/1047/1047_NBLT7Dr.pdf)

BPPIMT had been one of the first Institutes to adopt these tutorials in 2013. We are happy to share the information that IIT Bombay has selected our Institute as one of the 5 Nodal centres in the state and we have around 35 colleges in our cluster to help IIT Bombay and MAKAUT conduct these courses in this region.

The inauguration of the Nodal Centre along with Awareness Event by IIT Bombay was organized at BPPIMT on 30th March, 2017.
