

Induction program for first year students

B. P. Poddar Institute of Management and Technology conducted a three week induction program for first year students from 7th to 25th August 2018 as per the AICTE mandate.

The program aimed to give a proper orientation to the new students about the courses, about engineering and about the future prospects as well as the methodology of learning to be adopted to be successful as a student as well as in life. Following events were covered in the induction program: yoga session, movie time, Introductory lecture on communication, Address by Institute Counsellor, Address by the Institute Physician, Session with the Training and Placement Cell of the Institute, Introduction to the Six forums existing in the Institute for Extra and Co-curricular activities, Mentor Introduction etc.

A feedback survey, done among the participating students, showed that the program was well received by the students.
