Elixir 2019

Part-I

Elixir, the social-cultural bonanza of B.P.Poddar Institute of Management & Technology, Kolkata has once again sent ripples amongst the crème-de-la-crème of the social-cultural fraternity by offering them to savour a platter of an eclectic mix of myriad events like scintillating Fashion Shows, electrifying Rock Concerts, dazzling Choreography compositions, soulful music and dance renditions, spectacular performances by amateur thespians and elocutionists, innovative face art and the like. Immaculate entertainment swept the participants and audience alike, off their feet, as the winners garnered the laurels and accolades.

The fabulous, five-day occasion, **Elixir 2019,** took an apt start on the 13th March, 2019, at City-Centre II, New-Town, through the auspicious lamp-lighting ceremony by the Principal of the Institute, Prof.(Dr.) Sutapa Mukherjee, accompanied by the Heads of the Departments and committee members. Post the inauguration ceremony, the audience were enthralled by exhilarating performances by the Rock Bands and with the fashionistas of the town setting the ramp on fire. The ecstasy of the students during DJ Night marked the success of the programme.

Part II

For three consecutive days, namely 14th, 15th and 16th March, 2019, the audience were treated to a brilliant display of artistic compositions in theatrics, dance, music, face-painting and elocution. The Institute premises were infused with an aroma of colour, fun and frolic which truly reflected the spirit of a spring-fest.

Part III

The grand-finale of the event unfolded its magnificence at the Nazrul Manch on the 18th March, 2019, with stirring performances by distinguished Bands like Underground Authority and Fossils. The auditorium was bursting at its seams with the exuberance of the mesmerised audience. The icing on the cake was the awe-inspiring performance by the troupe of internationally acclaimed dance exponent **Ms. Alokananda Roy.** The legendary dancer and philanthropist was felicitated by our honourable Principal. The winners of Smart India Hackathon and Bengal Hackathon were also felicitated in the platform. As, philosopher Aristotle as put it, "Excellence is never an accident", BPPIMT has consistently striven to achieve and sustain excellence in every domain of human faculty.
