## CONGRATULATIONS

## WINNERS OF SMART INDIA HACKATHON

We are proud to see our Institute Raising Bar and Exceeding Expectations

In 2017, "Team Brain Tumour Radionomer" from BPPIMT, Kolkata won Smart India Hackathon 2017 for devising solutions in Brain Tumour Type Classification by analysis of MRI image through a user friendly App avoiding painful invasive techniques.

The winner at Smart India Hackathon 2019, in the Ministry of Micro, Small and Medium Enterprises, Government of India is "Team DEXTEROUS SQUAD" from BPPIMT, Kolkata. Our students developed for MSME- "Smart Lightning Predictor And Alert System" - an android app and a web portal for farmers to register their respective locations. This facility will enable the farmers to protect themselves and their property from unforeseen disasters.

In 2018, "Team UIAHD" from BPPIMT, Kolkata was the winner of Smart India Hackathon 2018 in the Ministry under the Department of Telecommunications, Government of India for developing an Android and a Web app to help the citizens view the list of mobile connections against their respective Aadhaar numbers thereby ensuring transparency and protection against misuse of Aadhaar number.

## ABOUT US

B. P. Poddar Institute of Management and Technology (BPPIMT) was established in 1999 under aegis of B. P. Poddar Foundation for Education, a "Trust" dedicated to enhance the quality of technical education in the country. The institute has a vibrant and exciting academic environment inspiring the students to develop creative minds to face the present day global challenges.

## ACHIEVEMENTS

- Winner of different State & National Level Competitions.
- Pool of students secured good score in GATE & different competitive examinations.
- Large no of students offered employment with high package in various MNCs.
- Pool of students pursuing higher studies from abroad with scholarship.
