WINNERS AT BENGALATHON 2019

Team "Delta" from B. P. Poddar Institute of Management and Technology declared winner at **Bengalathon – A Technology based competition**, an initiative by Department of Information Technology & Electronics, Govt. of West Bengal on 8th February 2019 at the Biswa Bangla Convention Centre, Kolkata. The team members are **Debadri Chowdhury** (CSE 4th year), **Arnab Ghosh** (CSE 4th year) and **Aman Verma** (ECE 4th year), students of B. P. Poddar Institute of Management & Technology, Kolkata. They have developed a desktop application for Riot Prediction based on tweets. The objective of their proposed work is to mark regions on a heat map from where popular tweets (in Twitter) portraying discontent is originating. Based on the heat map of discontentment across the country, law enforcement authorities can take effective security measures in the event a riot is predicted.
