

Report on Techstorm 2.19

Techstorm 2.19, the annual technical festival of B. P. Poddar Institute of Management and Technology was held during 15th and 16th March 2019 in the Institute premises. Once again it becomes a celebration of young minds to create, compete and show their talents in different areas like circuit design, robot controlling, computer programming, computer gaming, mathematical problem solving and design new applications to solve real life problems.

The inaugural ceremony on the first day (15 th March) started with the Principal Prof. (Dr.) Sutapa Mukherjee's speech followed by the speech of Prof. (Dr.) B.N.Chatterji and the Registrar Dr. Subhasish Pradhan. They all emphasized on the need of organizing such technical events to instil a passion of innovation and entrepreneurship in the young minds.

Various events started after the inauguration. Events are categorized as Brainteasers, Games, Roverse and Creativity. Brainteasers includes events Fanta-C, Omegatrix. Games includes PubG mobile, Clash of Clans, Fifa, Khet. Event RO-Combat, RO-Wings, RO-Navigator, RO-Picker, RO-Terrance, RO-Puzzle, RO-Soccer are robot controlling events belongs to category Roverse and event Technomania, Appmania, Passion with reels belongs to category Creativity.

Preliminary rounds of few events held one week ago. Initial rounds of most of the events held on day one. Institute students participated with lot of zeal. Students of various engineering colleges participated in the inter college events. Rovers events were major attraction of spectators. Many students came to cheer the participants of the events.

Dr. Probal Sengupta - CTO - Alumnus Software Limited was the chief guest of the program. He delivered some new avenues of thought in his speech.
